

CORRIGENDUM III

Tender ID - 2021_FCSCA_54779_1

Dated: - 21-01-2022

Meeting of tender opening committee held on 21-01-2022 at 11:00 AM onwards wherein all four bids were opened and scrutinized thoroughly. After the scrutiny, the observations of the committee are as under: -

1. The bidders have not submitted the documentary proof regarding agreement between supplier of biometric authentication device and ePoS machine manufacturer.
2. NABL certificates attached with bids were not valid as on date of submission of tender.
3. NABL accreditation certificates of testing lab were not attached.
4. The bidders have not submitted documentary proof regarding assembling of ePoS device within India

So in view of the above observations and further to avoid the unnecessary litigations and ensure fair play, the Committee is of the opinion that the present tender stands cancelled and the committee decided not to open the financial bid. A fresh short term tender will be invited soon.
